Acknowledgements

We are very thankful to the following companies for letting us use their wonderful software for free to develop Clowder under an open source license:

- [JetBrains](#) for kindly giving us an open source license for their awesome IntelliJ IDEA
- [Atlassian](#) for kindly giving us an open source license to their software development products that make our daily efforts so much easier
- [YourKit](#) for kindly giving us an open source license for their YourKit Java Profiler, for those times when things get really tough
- [Balsamiq Mockups](#) for kindly giving us an open source license for their rapid wire framing tool that makes iterating over designs so much faster and enjoyable
