Discussion items

Time	Item	Who	Notes
		Paul	- Running through all the titles - Identifying parts of speech - Will soon have tables for title analysis
		Sandeep	- Clowder 1.2 released - search feature is almost available - Will install ElasticSearch and index them - Can upload files and associated metadata once the field names have been finalized
		Team	- Will need to provide the users with a simpler set of metadata fields for searching - Metadata field names need to be updated to make things more clear
