2017-05-24 Meeting notes

Date

24 May 2017

Attendees

- Elizabeth Wuerffel
- Jeff Will
- Unknown User (a-craig)
- Paul Rodriguez
- Sandeep Puthanveetil Satheesan

Goals

Discussion items

Time	Item	Who	Notes
		Paul	- Preparing PPT as guideline for using the semantic tables - Need to run through the medium information - Will work on preparing final camera ready version of the paper
			- Completed downloading color photographs - Uploading about 5000 images to Clowder - Continuing with development on advanced search feature improvements. Will have a separate page where admin can manage promoted extractor-generated metadata fields - Will go through the current changes and add text for the final camera ready version based on reviewer feedback by next week

Action items
