

2019-07-10 Brown Dog Meeting notes

Date

10 Jul 2019

Attendees

- Yan Zhao-
- Sandeep Puthanveetil Satheesan -
- Luigi Marini -
- Shannon Bradley -
- Mark Fredricksen -
- Rob Kooper - absent
- Kenton McHenry - absent
- Gregory Jansen - absent
- Dukyun Nam - absent
- Deren Kudeki

Discussion items

Time	Item	Who	Notes
		Yan	<p>get email back from hydroshare,</p> <p>update file metadata in the extractor</p> <p>most of issues doesn't influence the code or they have further plan</p> <p>some issues to discuss:</p> <ol style="list-style-type: none">1. TODO: add folders as what is on clowder (need to use API instead of pycowder)2. TODO: use clowder tags as HydroShare keyword?3. I am using description as abstract on HydroShare, what if the dataset has abstract metadata?4. I didn't make the resource public/ shareable/ discoverable, because: can't guarantee they won't change something and it stays stable <p>Luigi will show next week - he doesn't have screenshots of metadata</p>
		Sandeep	<p>CZO progress is slow - pushed latest to bit bucket - Luigi not sure if he has run it - has not looked at code</p> <p>Added test files as well</p> <p>Column names are just names - not URIs - include standard name from annotation service</p> <p>Created by X - works fine</p> <p>XSEDE- got more data - ethernet cable connection was not working (had been using wifi without knowing)</p> <p>Poster accepted to EScience - Sept California - Co-Located with Gateways in San Diego</p>
		Mark	<p>Connection issue for Mongo db to transformation catalog still occurring - testing area got overwritten?</p> <p>will check with Rob- need to find logs as well</p> <p>Did get new VM as a model for arc gis set up so Rob can clone</p> <p>Should be able to move from old hypervisor to new one</p>
		Luigi	<p>Clowder 1.7.1 released - there will be a 1.7.2 soon</p> <p>ESIP presentation next week and Clowder slides after that</p> <p>new screen shots needed if there are any</p> <p>No slides for semantic annotation yet - will need feedback when they are ready</p> <p>Spoke with Barbara M today - how to launch green index ... can we do a demo of this - make a video?</p>
		Deren	<p>?</p>
		Greg	<p>I'm debugging punchcards this week</p> <p>fixed blocking issue: Clowder said that extractor heartbeat response has a bad format. "repository" JSON was supposed to be a list.</p> <p>on to next step to get extractor to work</p>
