Discussion items

Time	Item	Who	Notes
		Shannon	Are we ready? https://browndog.ncsa.illinois.edu/transformations-dev/ I will come up with a testing matrix and the follow up mechanism to gather input on bugs and improvement suggestions Make sure be ready for last report for NSF
		Sandeep	- Unit conversion in progress for CSV aggregator - Poster paper updates in progress
		Mark	ArcGIS - working Rob to create new VMs.
		Deren	- Uploaded code to repo - Multi-level metadata issues partially resolved - Having issues with metadata parsing - Mark and Sandeep shared a possible fix
		Boris	
		Greg
