## Series: 30 Things About Life I Wish I had Known 10 Years Ago

### 8. Don't Care About What People Think

The weight of other's thought can become a burden for you. It can inhibit you from living your life, because your entire being (your personality, your thoughts, your actions) are controlled by an idealized standard of what people want to see. When you become so obsessed with other people's opinion of you, you forget your own.
