Sign Up

If you have already been given or signed up for an account, simply log in with your credentials to access Medici. If you need to sign up for one, click on the Sign Up link on the *Login* page. When you enter the information listed on the form and click on the Sign Up button, an e-mail will be sent out to your administrator. The administrator will now be in charge of authorizing your account with the proper permissions. You will be sent out an e-mail when your account becomes active.

If at any point you forget your password, enter your e-mail address on the Forgot Password link on the *Login* page, and a new password will be sent out to you. You can change your password at any time once you login in the *Home* page, under the Profile tab.
