Discussion items

Time	Item	Who	Notes
	Folderes	Max	• created a wiki page to discuss improvements to Clowder's handling of folders - https://opensource.ncsa.illinois.edu/confluence/display/CATS/Folder+enhancements • Ideas for improvements
	1.8.2	Luigi Marini	• s3 hotfix from Sara Lambert
	2.0	Luigi Marini Maxwell Burnette	• Will work on Play upgrade first (Mongo next since casbah has been updated) • Maxwell Burnette working on merging 2018 Luigi's branch in current 2.0 branch • Start tagging 2.0-alpha-1 • After 2.0 is released we will still continue to support 1.x
	Provenance	Hessam	• Gathering requirements from 4CEED regarding provenance gathering • Thinking of gathering provenance at the database level, jupyter, extractors
	Trasformations Catalog	Mark Fredricksen	• Transformation catalog on kubernetes. Working on the networking aspect.
