Test Profile Template

Here's a draft test profile. Please add some things you would like to see or make comments. (are comments turned off?)

Name: Give it a name

Goal: what is this test battery going to tell you..

Included operations:

file spec	size	number	operation	arguments	notes
*.pdf, *.PDF	>100k	1000	convert	output=tiff	
*.doc, *.DOC		1000	convert	output=pdf	

Results:

We can find some way to include or link to the results of these test runs..
