

Spaces & Sizes

The image shows a web interface for site data. At the top, a dark blue header contains a back arrow, a location pin icon, and the text "Site: EPA - SU 05". Below this is a navigation bar with "Time Series" and "Depth Profile" tabs. A "Graphs" section on the left includes a "Trend" checkbox (checked) and a "Distribution" checkbox (unchecked). Under "Nutrients", "Total Phosphorus (TP)" is checked, while "Chlorophyll a", "Nitrogen (NNN)", and "Silica (Si)" are unchecked. A map shows the site location. At the bottom left are "Download this Data" and "About this Data" links. The main content area features a "Spring" dropdown menu and a "Date Range" slider set to "4/30/1983 - 8/6/2010". Two identical line graphs show "Total Phosphorus (TP)" from 1984 to 2008. A data point is highlighted at "2.6 Spring 1986".

Annotations for spacing and size:

- 44 px: Left margin of the header bar.
- 3 px: Right margin of the header bar.
- 1150 px: Total width of the header bar.
- 23: Vertical spacing between the header bar and the navigation tabs.
- 1200 px: Total width of the main content area.
- 33 px: Vertical spacing between the "Graphs" label and the "Trend" checkbox.
- 161 px: Width of the "Trend" and "Distribution" checkboxes.
- 173 px: Width of the "Spring" dropdown menu.
- 25: Vertical spacing between the "Distribution" checkbox and the "Nutrients" section.
- 55: Vertical spacing between the "Nutrients" section and the map.
- 25: Vertical spacing between the map and the "Download this Data" link.
- 22: Vertical spacing between the "Download this Data" and "About this Data" links.
- 913 px: Width of the graph area.
